TASTING NOTES

A fine and delicate nose, ripe red fruit aromas, with notably cherry standing out. On the palate, there are pronounced notes of cocoa with a complex finish on tobacco aromas. The mouth is marked by its richness, its fine and silky tannins; a very nice balance and especially its persistence in mouth.

One has the impression that the different wines assembled take turns to give this extreme length, but all in finesse.

The proof is in the glass.

Service Temperature : 60°F-64°F
